## Feedback Analysis Report (Overall Feedback From Students) (A.Y. 2023-24)

Student's feedback plays a pivotal role in enhancing the learning atmosphere. The feedback from the students on the present curriculum of various courses. Under the chairmanship of the principal of the college, various questionnaires were prepared and filled by the students for the purpose of getting the feedback of the students. This questionnaire has been prepared for the purpose of getting information from the students about the various programs or schemes being implemented through the university, in the same way as the information was taken from the students regarding the various schemes and various subjects or various courses being implemented in the college, similarly, every year, the policy of the principal is to analyze the questionnaire and revise the requirements, is fixed. Every year the feedback of the students is taken for the purpose of correcting the questions noticed by the students in order to honestly benefit the maximum number of students.

The responses from the students were collected on a Four point Likert Scale (1 - Very Good, 2 - Good, 3 - Satisfactory and 4 -unsatisfactory). We received about 270 responses.
