### 2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process.

The College follows ICT-enabled teaching in addition to traditional classroom education. Subsequent efforts are taken by the College to provide an e-learning atmosphere in the classroom: In addition to the chalk and talk method of teaching, the faculty members are using the IT-enabled learning tools such as PPT, Video clippings, Google Classrooms, Zoom App, Audio system, Other online sources, to expose the students for advanced knowledge and practical learning.

The college uses ICT in teaching-learning. Preparation of e-resources in various subjects in the form of digital material. One Network Resource Center caters to the need for internet resources with facility for downloading. IQAC Office, Computer Library, and Central library have networked internet connections. The campus is Wi-Fi enabled. Classes, seminars, guest lectures, etc. using LCD projectors are conducted in available science laboratory spaces. The use of ICT by incorporating audio-visual material makes lessons visually interesting, positively impacting both the learning outcomes of students and their attendance. Some teachers now use modern methods of teaching-learning, such as Google sites and Google classroom.
