Departments wise Action Taken Report on feedback

(A.Y. 2021-22)

A feedback form was given to the students of the college to know their feedback for the Academic year 2021-22 by the college. Accordingly, the students expressed their reactions on different questions that were intended for them. It usually involves a committee appointed under the IQAC to look into the issues that the college needs in the interest of the students and hold a meeting to try to resolve their concerns. In this, the committee took note of the facilities required by the students regarding special hygiene facilities, water facilities, lack of books in the library, as well as the expected improvement of Departments subjects in the college and assured the principal of the college to take action to solve these problems.

(Department of- English, Hindi, Marathi, History, Geography, Defence & Strategic Studies, Computer Science, Chemistry, Information Technology, Microbiology)

Sr. No.	Suggestion	Action Taken
1	Regarding provision of special teachers as per need	This issue will be resolved as soon as possible
2	Regarding the availability of subject-wise teachers	Soon the problem of teachers will be solved
3	Science labs are well equipped	The facilities will definitely be improved in the next academic year

4	availability of study material	1) curriculum based in enough books was purchases in every year. 2) Enough reference books is available and purchase in every year.
5	Indoor sports hall facility	The principal assured that the facility would be completed at the earliest
6	Computer availability required	Computers will be made available as soon as possible
7	Teaching and learning should be more practical	teacher encourage to make student to presentation of their own views of Curriculum related information through LCD projector
8	Computer facilities for students in every department	Will try to make computers available for each department
9	Imparting practical knowledge through field work study	Field visits are planned through the Environment Department
10	About planning an interstate trip	Trips to different states are planned every year on behalf of the Geography Department
11	A separate and well-equipped lab is required for the subject of Microbiology	The Principal expressed his opinion that this problem will be addressed and solved at the earliest
12	Taking a mentoring role on research projects	As most of the teachers in the college are doctors, they will be called upon to play a leading role in guiding this.
13	About arranging room for SpecialDepartment	Some Departments will be given to the new gymkhana hall so this problem will be solved soon
14	Teaching through ICT technology is beneficial so providing that facility	Teachers who require ICT facility will be allowed to take lectures in ICT room
