

## Action Taken Report on Teachers Feedback (Academic Yyear 2022-23)

All the regular and temporary teachers in Arts and Science faculty in the college need to know about the facilities available. For that purpose, the development of the teachers, in order to solve the problems that arise keeping in mind the interest of the students, the feedback of the teachers has been taken into account in the next academic year by reaching out to the teachers indirectly and taking into account the feedback given by the teachers will do.

In the academic year 2022-23, after considering the feedback of the teachers, they have expressed the opinion that the following improvements are needed. Some of the important questions are as follows.

1) Necessary instructions were given to prepare the syllabus keeping in mind the interest of the students.

Availability of reference books in terms of curriculum is not the best.

2) It has been expressed that there is a lack of necessary tools for practical papers in the course.

3) Feedback is expressed regarding the development of library facilities.

4) The teachers have expressed the opinion that the physical comfort facilities in the college are not the best.

Based on the feedback given by the teachers as above, in the next academic year, as a major component of the college, it will try to get the facilities well and will provide the facilities.
