4.3.1 - Institution frequently updates its IT facilities including Wi-Fi.

There are different digital technological facilities available in the college. There are 03 ICT classrooms and, 1-Computer Lab. A well -equipped computer lab is also functioning in the college. The students of the college are access to the computer lab. The college building and the library are facilitated with Wi-Fi connectivity. There is open access to Wi-Fi connectivity for all students and the staff members of the college. Most of the departments of the college are provided with computers and other related accessories. All teaching staff member use the ICT and laboratories, whenever needed. The different educational sites are shown to the students with the help of the digital device. Most of the official work is being done with the help of ICT. The college regularly maintains the IT facilities. Following are some basic facilities for updating: The Computer is formatted on a regular basis. The college itself formats the computer without no fees and with the help of a computer operator. Anti-virus is regularly installed on computers. All computer has anti-virus Wi-Fi connectivity is available in the Principal chamber, Office-room, IQAC room, and various departments including library and laboratories. CCTV is installed in every classroom. The Website is maintained by Sandip Solanki.

Institute provides funds for IT up-gradation. In case of additional requirements of the resources, the development team is hired for that duration and the maintenance if required. Website policy indicates the content requires necessary approvals to publish on the websites and represent the Institute. An email has been used effectively for all official communications and the respective sections personnel and academics.
