6.2.1. - The Institutional Strategic/Perspective plan is effectively Deployed.

The strategic and perspective plan 2019-2024

Over the past 10 years the institute has shown tremendous growth and to sustain the process, strategies must be formulated and implemented effectively. Perspective/Strategic plan focuses on current trends and disrupting forces in higher and technical education strata which when adopted can show better performance. It makes an assessment of stakeholder's expectations, students, faculty members, employers, and needs of the people of the region. Following plans are projected after proper discussion and considering the short term, medium term and long term development plans. The institute has student centric approach and stakeholders are the final beneficiary of these developments.

Our Institution's strategic plan includes the following:

University approved curriculum is strictly adhered to and faculty members and students are encouraged to take up online short term courses to enhance skills and technical abilities.

Encouraging high quality research, Industry engagement, Entrepreneurship, Alumni engagement and Social outreach that are targeted at helping people of the region.

The activities are planned in the beginning of every academic year through the Academic Calendar and suggestions are sought from faculty members.

Development Plan is a quality initiative which concentrates on the development of the departments in terms of infrastructure, faculty strength, faculty achievement, students' development and student achievement. The plan is finalized by the HODs of all departments in consultation with their faculty members. This plan is then discussed in the HODs meeting with the Principal, followed by approval from the management.

College, Sakri Dist-Dhule, 424304 (MS)

The salient features of the strategic plan are:

- Developing Multidisciplinary innovation ecosystem, leading to incubation at institute, project-based learning for students.
- Publishing paper in reputed journals by faculty members and encourage students to do the same
- Presenting projects at reputed institutes by students
- Sponsoring faculty members and students to National/International level events
- Introduce Certificate/Value Added Courses
- Guest Lecture, Association Activities of respective departments
- Industrial and Field Visits, Alumni interaction
- Training of Non-teaching staff
- Internships and Industry based projects for students
- Apply for projects from government and non-governmental organizations.

The Implementation of these plans have yielded:

- Number of papers published in reputed Journals have increased manifold and student involvement in this activity has also improved.
- More students from the socially deprived section of society were accepted with minimal fee
- Regular interaction with alumni helped students to decide on their future course of education and profession
- Number of faculty members pursuing doctoral program, in the institute have increased
- Lab Equipment, Lab Accessories/Tools/Consumables & Software purchased
- Introduced Certificate Courses
- Webinars, Workshops & Conferences are successfully organized
- Signed MoU with other HIE's
- Faculty members Participated in various Webinars, Workshops & Conferences
- Faculty members Published paper in various reputed journals
