Implementation of MIS / ERP

To Whom It May Concern

It gives me a great pleasure in mentioning about the Cloud base software's provided by MasterSoft ERP Solutions Pvt. Ltd Nagpur to **Smt.Vimalbai Uttamrao Patil Arts & Late Dr.Bhaskar Sadashiv Desale Science College, Sakri**

The software contains the following modules

- 1) Online Student Registration & Online Fees collection
- 2) Admission & Administration
- 3) Finance and Account
- 4) Student Admission and Support
- 5) Library Management System (Version- Libman -4.5)
- 6) Employee Payroll Management

Using these packages it got easier to handle all the activities of Student Life Cycle. Like, from student's Admission fees to TC, reports can be generated. Administration and Finance reports can also be created. In Payroll module Employee Life Cycle it creates payroll reports. In addition with this the other benefit is that it can maintain any number of accounts of financial years.

This Certificate for the period of 04 April 2019 to 31 May 2027.

The extensive training of all the packages was given by the team of the MasterSoft ERP Solutions Pvt. Ltd. All the packages have been created successfully & co operation of user is appreciated.

Thanks & Regards

Annual e-governance report

(A.Y.2021-2022)

e-governance can be defined as the usage of Information and Communication Technology (ICT) by the management to provide and integration of various stand-alone systems and services. The e-governance facility started in college since 2016 for account purpose. Afterward it has expanded and implemented for another field. Now e-governance platform provides facility for maintaining records of administration, finance and accounts, student admission and support, examination system and library automation.

Website:

The website will act as an information centre which will reflect about the college, all its activities, important notices, courses offered, etc. For this purpose, a separate service provider/web designer will be appointed by the college. Training will be given to the administrative and teaching staff to make important updates on the website. process of updating, maintaining and Service provider will also look for other changes that are required on the website.

Student Admission:

An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as opined by the K.B.C.N.M. University Jalgaon. The College brings out its Brochure which is displayed on the website that has guidelines for the admission process. Finally, admission has been given to the student through cloud base Master software.

Accounts:

The office continues to maintain its account on cloud base Master software. Its advanced features help the staff to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet are generated through this software.

Library:

The College has partial library automation. College has registered to the N-List. Teachers can apply to get books of different authors for the subjects they are teaching to increase the knowledge database.

- The Library has partial automated with LIBMAN software.
- The Circulation module of the software should cover all the operations of circulation, right from creating member records to printing of reminders for outstanding books.
