6.3.2 Percentage of teachers provided with financial support to attend conferences/ workshops and towards membership fee of professional bodies during the last five years

Response:

Earlier no Financial support provided to teachers for attending Conference and Workshop due to no other funding for administration and infrastructure since last five years. And due to Covid-19 Pandemic during the year 2020-21, 2021-22 all conferences conducted through online mode with no registration fees. Our faculty members attended conferences and presented their research with zero registration fees. Hence no financial support to attend conference/ workshop provided during the last five years.
