Name of the Program: One Day Workshop on "E Content Development" is organized.

Date and Time: 22 Feb. 2019 11.00 A.M.

Venue: Smt. V.U. Patil Arts & Late Dr. B.S. Desale Science College, Sakri

Resource Person: Dr. Anil D. Kakuste

Chairperson: Prin. Dr. P. S. Sonawane

No. of Participant: 19 Participants.

Objectives: The objective of the present workshop was to create an awareness of ICT enabled teaching learning environment among the participants and to develop the capacity of the faculties/ trainers for designing and developing e-content on different subjects. The main focus of the workshop was to engage the participants in hands-on training to use different tools for econtent development which would be compatible with Mobile APP.

Summary and Conclusion:-

Information and Communications Technology (ICT) can impact student learning when teachers are digitally literate and understand how to integrate it into the curriculum. Faculty must use a diverse set of ICT tools to communicate, create, disseminate, store, and manage information. ICT has an important prominent role in knowledge due to its changeable ability and its capability to make relationships among students. Finally he successfully handled the question answer session at the end. Participants were quite satisfied with the session and the webinar finished happily.
