Parent Feedback Form Analysis

2018-19

Every parent tried to find out their opinion by asking specific questions to each parent taking into account the student and accordingly the principal himself drew the attention of those who developed the things mentioned, it is necessary to present the necessary problem. Done in the middle of an attempt. This purpose should be told to write a certificate in the democratic academic year 2018-19 in the name of the parents to know it clearly as follows.

The parents of the students in the college were contacted by the teachers and a questionnaire was prepared and given to them to fill in to know their opinion about the college. He expressed his opinion. In the said feedback questionnaire, various types of questions were asked in view of the interest of the students of the college and facility was provided to express feedback in four groups namely very good, good, satisfactory and unsatisfactory. In fact, the development of the college takes place in a real sense through such a process, because the principal and the head of the institution realize the truth about the development of the institution from this feedback and if there are any shortcomings, there is an opportunity to correct them, because until the fine-grained instructions reach the college, the development cannot be done in a real sense. . Because the management of the
