## Teacher Feedback on Curriculum Analysis 2021-22

The number of regular teachers in the college is 19, 04 teachers are on the post of Associate Professors, 15 teachers are on the post of Assistant Professor and 08 teachers are on Temporary basis, total 27 teachers are working in the college.

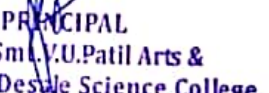

A questionnaire was developed for the Faculty of Arts and Science in the College to obtain information from the College's development point of view. This questionnaire was given to all the regular and hourly teachers and without any pressure on them; they have expressed their opinions on the various points in the questionnaire of their own free will. With the aim of providing maximum service facilities to the students by the teachers and if any problems are found, they can be removed when their opinion was sought through the questionnaire in the feedback letter, the following points were noticed. The analysis of this questionnaire is done as follows.

In 2021-22, the total number of teachers in the college was 27 out of which 19 were regular teachers and 08 were on temporary basis. A total of ten questions were sought from them and facilities were provided to express their opinions in the form of excellent, very good, good and average.
